Bible Story Passage

Genesis 2:4-9a

Lesson Summary

God exists and He created a beautiful world by speaking it into existence. He made the first man (Adam) from dust and breathed life into him. God shows Himself through His creation, upholds it by His power, and continues to be closely involved with it. He knows and cares about every detail of our lives and wants us to know Him too. He promises that those who seek Him with faith will always find Him.

Lesson Takeaway

Do you believe God is real and that He wants a relationship with you?

Memory Verse

For His invisible attributes, namely, His eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse.

England

Kings and Queens, castles, scones and tea, lots of sheep, 53.9 million people, and so much more all make up the rich culture of England. English children love playing sports like football (American soccer), visiting the sweet shops, and celebrating British holidays like Bonfire Night. Even though England is home to many beautiful churches and cathedrals, much of the country doesn't know Jesus. Schools teach children that there is no god and that all religions are equal and right. To lead a life that honors and obeys God means that Christian children may live differently than those around them. That choice can be hard, but to live for Jesus is the best choice anyone can make.

Fun Facts

- There is nowhere in England that is farther than 75 miles from the sea.

KNOWING

And this is eternal life, that they know You the only true God, and Jesus Christ whom You have sent. (John 17:3)

Reading Questions

In coming before the Word of God, we must be fully surrendered to Him (John 7:17). We must be obedient to what God shows us as soon as we see it (James 1:22). We must be humble and bent before it (James 4:7). And we must go to it with much prayer (Psalms 119:36; 119:18; 86:11; 90:14).

As you do your assigned reading, be carefully considering these questions:
